TRADING STATEMENT

In terms of the Listings Requirements of the JSE Limited, companies are required to publish a trading statement as soon as they are satisfied that a reasonable degree of certainty exists that the financial results for the period to be reported upon next will differ by at least 20% from the financial results for the previous corresponding period.

Accordingly, shareholders are advised that, for the half year ended 30 September 2012, MiX anticipates earnings per share to be between 75% and 80% higher than the previous corresponding period, headline earnings per share to be between 75% and 80% higher than the previous corresponding period and adjusted headline earnings per share to be between 42% and 47% higher than the previous corresponding period.

The interim financial results announcement will be released on SENS on about 12 November 2012.
